

LILAVATI HOSPITAL
AND RESEARCH CENTRE

TO WHOMSOEVER IT MAY CONCERN

We hereby confirm that ITV Computers has been our Vendor for our critical voice communication systems since 2007. ITV Computers have worked with us to develop a solution for our Voice Communication in our Hospital. They also have an ability to take our vision a step further and to anticipate our needs for the future. All of this is done in a professional, efficient and courteous manner.

We have found the entire ITV team to be technically competent, enthusiastic, professional, easy to work with, and have the ability to clearly understand our business requirements.

We would not hesitate to recommend them to anyone.
